SCHEDULING ORDER

This ____ day of April, 2008, the Court having conducted an initial Rule 16 scheduling and planning conference pursuant to Local Rule 16.1 on April 10, 2008, and the parties having determined after discussion that the matter cannot be resolved at this juncture by settlement, voluntary mediation, or binding arbitration;¹

IT IS ORDERED that:

1. Rule 26(a)(1) Initial Disclosures and E-Discovery Default Standard.

(PLAINTIFFS' VERSION)

Unless otherwise agreed to by the parties, the parties shall make their initial disclosures pursuant to Federal Rule of Civil Procedure 26(a)(1) within fourteen days of the date of this Order. The parties have reviewed the Court's Default Standard for Discovery of Electronic Documents, which is posted at <http://www.ded.uscourts.gov/SLRmain.htm> (*see* Chambers, Judge Sue L. Robinson, Guidelines, Ad Hoc Committee/Electronic Discovery Default Standards), which is incorporated herein by reference.

¹ In entering into, and agreeing to be bound by, this Scheduling Order, none of the Defendants is waiving any of its rights relating to any pending motion to dismiss.

(DEFENDANTS' VERSION)

Unless otherwise agreed to by the parties, the parties shall make their initial disclosures pursuant to Federal Rule of Civil Procedure 26(a)(1) within fourteen days of the date of this Order. The parties have reviewed the Court's Default Standard for Discovery of Electronic Documents, which is posted at <http://www.ded.uscourts.gov/SLRmain.htm> (*see* Chambers, Judge Sue L. Robinson, Guidelines, Ad Hoc Committee/Electronic Discovery Default Standards), which is incorporated herein by reference, with the following modification. With respect to electronic document discovery relating to the Defendants' defenses and counterclaims of inequitable conduct (or invalidity for improper reissue under 35 U.S.C. § 251), documents identified by the requesting party as relating to these issues shall be produced in native format, including all metadata and other electronic information or identifiers, and defendants may seek forensic discovery relating to issues of knowledge and intent surrounding these defenses/counterclaims.

2. Joinder of Other Parties.

All motions to join other parties shall be filed on or before March 15, 2009.

3. Pretrial Consolidation.

The cases listed in Attachment A are, until further order, consolidated for pretrial purposes.

(a) Master Docket and File.

The clerk will maintain a master docket and case file under the style “In re Crestor® Litigation,” master file number _____. All orders, pleadings, motions, and other documents will, when filed and docketed in the master case file, be deemed filed and docketed in each individual case to the extent applicable.

(b) Captions; Separate Filing.

Orders, pleadings, motions, and other documents will bear a caption similar to that of this

Order. If generally applicable to all consolidated actions, they shall include in their caption the notation that they relate to “ALL CASES” and be filed and docketed only in the master file.

Documents intended to apply only to particular cases will indicate in their caption the case number of the case(s) to which they apply, and extra copies shall be provided to the clerk to facilitate filing and docketing both in the master case file and the specified individual case files.

4. Defendants’ Coordination Committee and Defendants’ Liaison Counsel.

(PLAINTIFFS’ VERSION)

Defendants shall establish a Defendants’ Coordination Committee. The composition and management of this Committee shall include a representative of each group of Defendants in each of the actions (“Defendant Group”). The Defendants’ Coordination Committee shall designate a Defendants’ Liaison Counsel charged with communicating between the Court and other counsel (including receiving and distributing notices, orders, motions, and briefs on behalf of the Defendants), convening meetings of counsel, advising parties of developments, and otherwise assisting in the coordination of activities and positions. The foregoing notwithstanding, nothing herein shall be construed to prevent any Defendant Group from expressing to the Court additional or contrary views to those expressed by the Defendants’ Coordination Committee or by the Defendants’ Liaison Counsel.

(DEFENDANTS’ VERSION)

Defendants propose that this paragraph be deleted. Please see Defendants’ version of Section 5(a) below as a replacement for both Plaintiff’s sections 4 and 5(a).

5. **Discovery.**

(a) **Coordination of Defendants' Discovery Requests.**

(PLAINTIFFS' VERSION)

The Defendants' Liaison Counsel shall coordinate the initiation, conduct, and service on Plaintiffs of all discovery directed to Common Discovery Issues, including interrogatories, requests for admission, requests for documents, and deposition notices. Common Discovery Issues include, but are not limited to:

- a. validity/invalidity of any asserted patent claim;
- b. enforceability/unenforceability of any asserted patent due to inequitable conduct;
- c. the conception and reduction to practice of any asserted patent claim;
- d. the prosecution of any asserted patent, including the prosecution of any parent, counterpart, or related patent or application; and
- e. the testing, use, development, regulatory approval, licensing, or commercialization of rosuvastatin by Plaintiffs and their affiliated companies, consultants, or agents.

Plaintiffs shall serve on counsel for each Defendant Group its objections and/or responses to discovery served on Plaintiffs for Common Discovery Issues. Plaintiffs shall produce any documents in response to discovery directed to Common Discovery Issues on counsel for each Defendant Group.

(DEFENDANTS' VERSION)

When and to the extent practicable, each group of Defendants in each of the actions

(“Defendant Group”) will designate a single spokesperson to serve as coordinating counsel for purposes of communicating with the Court and/or Plaintiffs on a particular issue or area of discovery that is common to all Defendants (“Common Discovery Issues”). Common Discovery Issues include, but are not limited to:

- a. validity/invalidity of any asserted patent claim;
- b. enforceability/unenforceability of any asserted patent due to inequitable conduct;
- c. the conception and reduction to practice of any asserted patent claim;
- d. the prosecution of any asserted patent, including the prosecution of any parent, counterpart, or related patent or application; and
- e. the testing, use, development, regulatory approval, licensing, or commercialization of rosuvastatin by Plaintiffs and their affiliated companies, consultants, or agents.

Such spokesperson need not be the same person for each issue or area of discovery that may arise. The spokesperson will make good faith efforts to coordinate activities of the Defendants to reduce duplicative communications and filings with the Court. But each Defendant Group reserves the right to express additional or contrary views to those expressed by the spokesman.

(b) Interrogatories.

(PLAINTIFFS’ VERSION)

The Defendants may serve up to fifty (50) interrogatories on Plaintiffs directed to Common Discovery Issues. Each Defendant Group may serve up to fifteen (15) individualized interrogatories on Plaintiffs directed to issues other than Common Discovery Issues. Plaintiffs may serve up to twenty-five (25) interrogatories on each Defendant Group. Any side may exceed this limitation by agreement of the parties and/or with prior leave of Court.

(DEFENDANTS' VERSION)

The Defendants may serve up to fifty (50) interrogatories on Plaintiffs directed to Common Discovery Issues. Each Defendant Group may serve up to fifteen (15) individualized interrogatories on Plaintiffs. Plaintiffs collectively may serve up to twenty-five (25) interrogatories on each Defendant Group. Any party may exceed this limitation by agreement of all parties and/or with prior leave of Court.

(c) **Document Requests.**

(PLAINTIFFS' VERSION)

On or before October 24, 2008, all parties will substantially complete the production of all non-privileged documents responsive to any document request that was served on or before June 2, 2008 pursuant to Rule 34 of the Federal Rules of Civil Procedure. The parties will make a good faith effort to produce documents requested in discovery on a rolling basis as they are collected and reviewed. The parties shall endeavor to have any objections to such requests resolved prior to this date. The parties will have a duty to supplement their document production pursuant Rule 26(e) after October 24, 2008. Document requests by each side shall be unlimited, but if a party believes that any requests served upon it are oppressive, unnecessary, or duplicative of other discovery, it may for good cause shown seek a protective order from the Court. The foregoing notwithstanding, any document requests directed to Common Discovery Issues shall be served on Plaintiffs only through the Defendants' Liaison Counsel.

(DEFENDANTS' VERSION)

On or before July 14, 2008, all parties must produce all non-privileged documents responsive to any document request that was served on or before June 13, 2008 pursuant to Rule 34 of the Federal Rules of Civil Procedure. The parties shall endeavor to have any objections to

such requests resolved prior to this date. The parties will still have a duty to supplement their document production pursuant Rule 26(e) after July 14, 2008.

(d) **Requests for Admission.**

(PLAINTIFFS' VERSION)

Requests for admission by each side shall be unlimited, but if a party believes that any requests served upon it are oppressive, unnecessary, or duplicative of other discovery, it may for good cause shown seek a protective order from the Court. The foregoing notwithstanding, any requests for admission directed to Common Discovery Issues shall be served on Plaintiffs only through the Defendants' Liaison Counsel.

(DEFENDANTS' VERSION)

Requests for admission by each side shall be unlimited, but if a party believes that any requests served upon it are oppressive, unnecessary or duplicative of other discovery it may for good cause shown seek a protective order from the Court.

(e) **Depositions.**

(PLAINTIFFS' VERSION)

The Defendants' Coordination Committee shall coordinate and develop questions for depositions directed to Common Discovery Issues, including but not limited to depositions of Plaintiffs, Plaintiffs' employees, patent inventors, and third-party witnesses. The Defendants' Coordination Committee shall appoint a Lead Deposition Counsel for each deposition to initiate and take, as comprehensively as possible, depositions directed to Common Discovery Issues, including but not limited to depositions of Plaintiffs, Plaintiffs' employees, patent inventors, and third-party witnesses. When Lead Deposition Counsel has completed his or her examination of the witness, a single attorney for each Defendant Group ("Secondary Deposition Counsel") may

question the witness concerning Common Discovery Issues not covered by Lead Counsel, reasonable follow-up examination, or individual or divergent positions, provided that in doing so they do not repeat questions of Lead Deposition Counsel. Except as otherwise stated herein, the limitations of Fed. R. Civ. P. 30(d)(2) apply to the cumulative time spent by Lead Deposition Counsel and any Secondary Deposition Counsel in examining a witness.

The Defendants may take up to twenty (20) depositions (seven (7) hours each for English-language depositions and ten (10) hours each for non-English-language depositions) of Plaintiffs, Plaintiffs' employees, or third parties that are directed to Common Discovery Issues. Each Defendant Group may take up to five (5) individualized depositions of Plaintiffs, Plaintiffs' employees, or third parties that are directed to issues other than Common Discovery Issues.

Plaintiffs may take up to twenty (20) depositions (seven (7) hours each for English-language depositions and ten (10) hours each for non-English-language depositions) of Defendants, Defendants' employees, or third parties that are directed to Common Discovery Issues. Plaintiffs may take up to five (5) depositions (seven (7) hours each for English-language depositions and ten (10) hours each for non-English-language depositions) of each Defendant Group, its employees, or related third parties.

Depositions shall not commence until the discovery required by Paragraph 5(c) is completed. For any Rule 30(b)(6) deposition that exceeds seven (7) hours, each seven (7) hour period and any additional period less than seven (7) hours shall each count as one deposition.

Any party or representative (officer, director, or managing agent) of a party filing a civil action in this district court must ordinarily be required, upon request, to submit to a deposition at a place designated within this district. Exceptions to this general rule may be made by order of the Court. A defendant who becomes a counterclaimant, cross-claimant, or third-party plaintiff shall

be considered as having filed an action in this Court for the purpose of this provision.

(DEFENDANTS' VERSION)

The limitations on deposition discovery set forth in Rule 30 of the Federal Rules of Civil Procedure shall not apply to this action. Instead, each side² shall be limited to a total of three hundred (300) hours for taking testimony by deposition upon oral examination, excluding expert depositions. A deponent who testifies in a language other than English will be considered for purposes of the hours limitation as giving 0.5 hours of testimony for every one hour of examination. Except for depositions of inventors, witnesses who testify in a foreign language, and corporate representatives, each side represents that the party taking the lead on a joint deposition will make reasonable efforts to conclude his or her examination in less than seven hours (exclusive of breaks), and the remaining parties represent that they will make reasonable efforts to conclude their follow-up examination at such a joint deposition in less than six hours total (exclusive of breaks).

Any officer, director, representative, agent, or employee of any party to this Action must, upon request, submit to a deposition governed by the Federal Rules of Civil Procedure and at a location at which a court reporter is available.

(f) Fact Discovery Cut-Off and Limitations.

All fact discovery must be commenced so as to be completed by March 15, 2009. The Court encourages the parties to serve and respond to contention interrogatories early in the case. Unless otherwise ordered by the Court, the limitations on discovery set forth in Local Rule 26.1 shall be strictly observed.

² For purposes of this Order, each "side" shall refer to all the Defendants in the cases listed in Attachment A, on the one hand, and all the plaintiffs listed in Attachment A, on the other hand.

(g) Expert Reports.

Reports from retained experts required by Fed. R. Civ. P. 26(a)(2) on issues for which a party bears the burden of proof are due by April 22, 2009; rebuttal expert reports are due by June 1, 2009; reply reports are due by June 19, 2009. The reply reports will be limited to addressing issues raised in the initial or rebuttal reports concerning secondary considerations of non-obviousness. Along with the submissions of the expert reports, the parties shall advise one another of the dates and times of their experts' availability for deposition. Draft expert reports, any expert's personal notes, and communications between any expert and counsel shall not be discoverable. To the extent any objection to expert testimony is made pursuant to the principles announced in *Daubert v. Merrell Dow Pharm., Inc.*, 509 U.S. 579 (1993), as incorporated in the Federal Rule of Evidence 702, it shall be made by motion no later than the deadline for dispositive motions set forth herein, unless otherwise ordered by the Court.

(h) Expert Depositions.

Expert depositions shall be completed by September 1, 2009.

(i) Expert Report Supplementation.

If the Court has not issued its Claim Construction Order prior to the deadline for opening expert reports, the parties shall have fifteen (15) business days to supplement their respective expert reports following the issuance of the Court's Claim Construction Order, but only to the extent necessary to conform to any claim construction different from that party's proposed construction. The parties shall have fifteen (15) business days following the service of such supplemental expert reports to supplement their corresponding rebuttal expert reports, but only to the extent necessary to respond to new matter raised in the supplemental expert reports. The parties will cooperate in good

faith to schedule and complete any expert depositions necessary due to supplementation of the parties' respective expert reports.

6. Discovery Matters.

(PLAINTIFFS' VERSION)

Should counsel find they are unable to resolve a discovery matter, the parties involved in the discovery matter(s) shall contact chambers at (302) 573-4571 to schedule a telephone conference. Not less than seventy-two (72) hours prior to the conference, the party seeking relief shall file with the Court a letter, not to exceed three (3) pages, outlining the issues in dispute and its position on those issues. (The Court does not seek extensive argument or authorities at this point; it seeks simply a statement of the issue to be addressed and a summary of the basis for the party's position on the issue.) Not less than twenty-four (24) hours prior to the conference, any party opposing the application for relief may file a letter, not to exceed three (3) pages, outlining the party's reason for its opposition. If the unresolved discovery matter relates to Common Discovery Issues, Defendants shall collectively file a single letter (seeking relief or opposing relief) through Defendants' Liaison Counsel. Should any document(s) be filed under seal, a copy of the sealed document(s) must be provided to the Magistrate Judge within one (1) hour of e-filing the document(s). Should the Court find further briefing necessary upon conclusion of the telephone conference, the Court will order it. If all parties agree that there is nothing to report, nor anything to add to the interim status report or to this order, they shall notify the Court in writing before the conference is scheduled to occur, and the conference will be taken off of the Court's calendar.
